

Skipper's Choice[©] Charter & Delivery Captain Insurance

What does it cover?

- Provides Legal Liability coverage for Professional delivery skippers or captains who skipper more than one vessel. Many times a skipper will have an opportunity to work a passage or relieve a buddy for a charter and needs insurance coverage before assuming command.
- Provides coverage for vessels where the owner has no insurance or requires insurance for a passage or for charter use.
- Provides coverage for you if you are stranded and need to get back home.
- Provides coverage for your crew if they are injured.
- Provides coverage for your crew if they are stranded.

How much does it cost?

- Liability starts at \$750* per year for \$500,000 or \$1000* for \$1 million. The rates shown are for a delivery skipper making ten passages per year.
- Crew Liability starts at \$500 for \$25,000 and goes to \$1000 per year for \$100,000. Crew cover is only available for charter operations, not deliveries, and only when we insure the Hull.
- Lifeline Emergency Expense covers you or your crew if you are stranded. \$100 annually for a \$1000 benefit increasing to \$1000 for a \$10,000 benefit. Covers your out-of-pocket emergency expenses.
- Coverage for vessels is subject to individual underwriting and rating.
- Customized programs are available for special circumstances.
*Rates shown are in USD, are minimums and may be higher depending on underwriting factors.
